

Hello, my name is _____ from HAI, a national research firm.

[IF LANDLINE] We're conducting a survey in Michigan to get people's opinions on important issues. This number was selected at random and according to the research procedure, I would like to speak to the [ALTERNATE: YOUNGEST/OLDEST] [ALTERNATE: MAN/WOMAN] at this address who is registered to vote.

[IF CELL PHONE] We're conducting a survey of cell phone users in Michigan to get people's opinions on important issues. Since you are on a cell phone, I can call you back if you are driving or doing anything else that requires your full attention. Can you talk safely and privately now? [IF YES, CONTINUE. IF NO, SCHEDULE CALLBACK]
